Designated bag
2nd/4th

day

Rubber/Leather

Wrap/Plastic bag

Futon/Blanket

Spray cans
(with holes
drilled)

Small appliances

Small appliances should be put
out in their own bags. If they
do not fit, or if you have a
lot of them (more than 3 large
bags), please bring them to
the cleaning center.

Plastic airtight
container

Plush doll

Fragile or
sharp objects

Rechargeable small appliances
(Batteries are to be removed)

*See red box

Rechargeable small appliances should
be placed in a non-friable garbage bag
after batteries are removed as they
may cause ignition. Batteries should
be placed in a battery collection box.
