The Social Security and Tax Number System (My number)

Each resident is notified of his or her own 12-digit Individual Number (also known as "My number") beginning in October 2015.

Your Individual Number is used for administrative procedures related to social security, taxation, and disaster response.

After the registration of your resident address in Japan, your municipality sends a notification card showing your individual number to the address appearing in your resident record. This notification card is sent to those who have registered their residencies in Japan for the first time. As "My number" is required for overseas remittance, please keep this notification card safe with your residence card, special permanent resident certificate etc.

A notification card is sent by simple registered mail to an individual. Therefore, a notification card returns to the town office if you have not registered your address at the post office. Please register your address at the post office as well as at the town office. You can pick up a returned notification card at Residential Affairs Section (Window #1) in the town office if you bring your residence card.

マイナンバー制度

平成 27 年 10 月より、住民票を有する住民一人ひとりに 12 桁の「個人番号（マイナンバー）」が付けられており、このマイナンバーは、社会保障、税、災害対策の分野で活用することにより、スムーズな申告・申請などが可能となります。

転入手続き後に、住民票のある住所にマイナンバーをお知らせする「個人番号通知書」が届きます。この個人番号通知書は初めて日本に住民登録をした方に送られます。マイナンバーは、海外送金する際には必ず必要となるため、在留カード、特別永住者証明書などと一緒に大切に保管してください。

なお、個人番号通知書は本人宛に簡易書留で送られてくるため、郵便局への住所登録を済ませていない場合は、役場に返送されてしまいます。転入手続き後には、速やかに郵便局で住所登録を行ってください。役場に返送されてきた個人番号通知書は、役場住民係（窓口①）に在留カードを持参することで、受け取ることができます。
