

04 WHERE TO CONSULT

■ Impact on Your Residence Status

If you have unpaid taxes, it may cause problems when you return to Japan in the future. **It may also negatively affect applications to renew or change your residence status.**

Cases where the impact can be significant include:

- Permanent Residency application
- Spouse visa
- Long-term residence status

■ Before You Move, Please Check

Have you submitted your moving-out notification?

Have you paid all your taxes?

Please be sure to consult the town office before you leave.
